 **README.md**

Problem 1. HTML Tables

- ### *Fresh Fruits*

A detailed illustration of a woven basket filled with various fruits. The basket contains a bunch of dark purple grapes, a red apple, a green apple, an orange, and a banana. The basket is shown from a slightly elevated side angle, casting a soft shadow on the surface below it.

Title goes here			A	B

	K	L	M	
N	O			

- Create a Web Page like the following using forms:

Member name : *req

Email : *req

School : *req

Problem 3. Calculator

- Create a Calculator-like table. You should use a HTML 5 form for the Calculator.
 - Buttons for all the numbers and operators (+, -, etc.)
 - Textbox for the result
